

Licenses – AI MANIFESTO 2026

A) Painting images

Images of artworks courtesy of Wikimedia Commons (except one, see the list below).

Most artwork images are faithful photographic reproductions of two-dimensional public domain works of art. The copyright status of each image is indicated individually below. Some images are instead used under separate open licenses (CC BY-SA, CC BY, CC0, or GFDL), as specified. Public domain status may vary by jurisdiction. The listed licenses correspond to the status indicated by the respective source pages.
